Power Up Hawaii

Aiea / Pearl City Town Hall Meeting

August 15, 2013

7:00—8:30 pm

Pearl Ridge Elementary School Cafeteria

Ever wondered what “clean energy” meant? Is an electric car worth getting? What is the difference between solar and photovoltaic panels and which system is right for your home? If so, the Aiea / Pearl City Legislators invite you to an electrifying evening guaranteed to recharge you on the latest energy technologies and innovations. And you may be the lucky recipient of several energy saving devices during our prize giveaway. Light refreshments will also be served.

For more information, please call Senator Kim’s office at 587-7200.

Sponsored by the Aiea / Pearl City Legislators

(l-r) Councilmember Carol Fukunaga, Representative K. Mark Takai, Senator David Ige, Senator Donna Mercado Kim, Representative Gregg Takayama, Representative Roy Takumi (Not pictured: Representative Aaron Ling Johanson, Councilmember Breene Harimoto)
